Letter Re Formal Drawings

Dear Sir:

In reference to the above-identified patent application, the Notice of Allowability (Paper No. 7) mailed September 14, 1998 indicates that formal drawings must be provided to correct the draftsman's objections appended to Paper No. 3. In Paper No. 3, the draftsman indicated that drawings were deemed informal by the applicant. Formal drawings that are believed to render this objection moot were filed on July 2, 1998 and received by the Patent Office on July 6, 1998. A copy of the postcard receipt evidencing receipt of the drawings by the U.S. Patent and Trademark Office is appended.

If the drawings are deemed informal or incomplete, the Patent Office is respectfully requested to notify applicant's attorneys of the deficiencies therein.
